ADDENDUM TO JOURNAL OFFICE OF LEGISLATIVE COUNSEL Monday - 15 March 1976 LIAISON I called Bill Florence, on the staff of the Subcommittee on Government Information and Individual Rights, Jiouse Government Operations Committee, and asked him if he had received our semiannual report on Freedom of Information requests. I told him of the problem with the document submitted with internal controls. He suggested I call John Moore, on the Committee staff, since Chairman Jack Brooks (D., Texas) had short-stopped many of the reports. He later called back and said he now had the report and that he would strike through the Internal Use Only marking noting that it had been lifted as of 2 March 1976. I called IPS/DDA, and advised him of the above.		Approved For Release	e 2004/10/12 : CIA	RDP78M02660	R000300010018-6
